

Khameo®

PIT & FISSURE SEALANTS

Khameo® is a light cured, radiopaque pit & fissure sealant.

- It does not contain Bisphenol A, Bis-GMA and Bis-DMA.
- It seals against microleakage.
- No Bonding agents required.
- Hydrophobicity – low water absorption assures resistance to staining and durability in the oral environment.
- Does not require refrigeration.
- Gluten-Free
- Made in USA
